

6 Ways To Make Money With A Free Podcast

Erik K. Johnson the

"You want to **make**
money with your
podcast?
What do you have
to **sell**?"

- Erik K. Johnson

6 Ways To Make Money With A Free Podcast

These general ideas are specifically adapted for podcasts from the book "Free: The Future of a Radical Price" by Chris Anderson.

There are 50 different business models in the book. I pulled six models from one particular section and adapted them to specific business ideas for podcasters.

6 Ways To Make *Money*

1. Give away services - Sell products

Book example:

Apple store genius bar

Podcast Example: Podcast explains how to use a product - Sell the product on your website.

Podcast Example: Podcast provides information regarding the "what" - sell books, audios and videos teaching the "how".

6 Ways To Make *Money*

2. Give away products - Sell services

Book example:

Free gift when you open a bank account

Podcast Example: Podcast promotes your free e-book - sell individual coaching.

Podcast Example: Podcast gives away tools and templates relating to a topic - sell webinars, seminars and coaching.

6 Ways To Make *Money*

3. Free with purchase

Podcast Example: Podcast delivers one module of a larger, paid course.

ABOUT ME

Many people get ready to record their podcast only to discover the 'imposter syndrome'. They hear that little voice inside their head asking, "Who do you think you are?"

I'm here to help you experience the *art of podcasting*.

My podcast is dedicated to the art and the show business of podcasting. My coaching style is personal. I treat every client as if they were part of my show. Find out more at www.podcasttalentcoach.com
